

The International Society of Materials Modelling (ISMM) Call for Nominations to the ISMM Board of Directors

ISMM is seeking nominations for members to serve on the Board of Directors. We invite all eligible members to participate in this important election process to select 12 new board members who will help guide the future direction of our society.

Eligibility:

- Nominees must have attended one of the past International Conferences on Multiscale Materials Modeling.

Nomination Requirements:

- Self-nominations are required.
- A brief biography of the nominee (maximum 250 words) outlining their contributions to the field of materials modeling
- A brief vision statement for ISMM (maximum 250 words).

Submission Instructions:

- All nomination materials should be compiled into a single PDF file.
- Email the PDF file with title “ISMM Board of Directors Nomination” to jelawady@jhu.edu by **September 1, 2024**.

Selection Process:

- The ISMM executive board will review all submitted nominations for eligibility and completeness.
- A slate of candidates will be prepared and presented to the ISMM membership for voting.
- The 12 candidates receiving the highest number of votes will be elected to the Board of Directors.

We encourage all members to participate in this process, either by nominating themselves or by voting in the upcoming election. Your involvement is crucial to ensuring that ISMM continues to thrive and advance the field of materials modeling.

For any questions or additional information, please contact the ISMM President, Prof. Jaafar El-Awady, at jelawady@jhu.edu.

Get involved and help shape the future of ISMM!
